### Message

I am glad to know that Fr. Conceicao Rodrigues Institute of Technology, Navi Mumbai, is organizing their 5th Biennial International Conference on Nascent Technologies in Engineering (ICNTE 2023). Such efforts by academic institutes are commendable because they help in moulding young minds into able Engineers for service to the Nation.

I believe that this Conference will bring together academicians, students, researchers and industrialists from different fields of engineering, where they will present innovative ideas for further research. Outcome of this conference in terms of its utility to the Society at large, will be appreciated.

I hereby extend my best wishes to the Principal of F.C.R.I.T. , the Management , Staff and the entire Organizing Team of the Event.
