M E S S A G E

I take this opportunity to commend Fr.Conceicao Rodrigues Institute of Technology, Navi Mumbai, on its efforts in organizing their third international conference on **"Nascent Technologies in Engineering, ICNTE 2019"**. Fr. C. R.I.T. has been awarded with an 'A' Grade in its very first assessment by the Government of Maharashtra. It is a well-known fact that this aspiring institute has constantly worked towards molding young minds into free thinking citizens of our nation.

I am sure this Conference will bring together like minded academicians and industry personnel from diverse fields of engineering, where they will be presenting original ideas for further research and innovation. We look forward to seeing many research based ideas emerging out of this Conference, not just in core fields but also in interdisciplinary fields, which would lead to actual research and development.

I would like to congratulate the Management, the Principal and all the staff involved in the organizing of the conference and Best Wishes to all its participants. Wish you all every success!

(Dr. Abhay Wagh)

Director
